(from 2019 evaluations)

Texas Perinatal Association

Mission Statement

The Texas Perinatal Association is a not-for-profit, multidisciplinary organization whose purpose is to promote continuing improvement in the quality of health care for mothers and infants in the state of Texas

Vision Statement

The Texas Perinatal Association is a not-for-profit, multidisciplinary organization actively committed to achieving continuous improvement in the quality of health care for mothers and infants in the state of Texas by: promoting networking for providers of perinatal health care; improving availability, accessibility, and continuity of preventive and primary perinatal healthcare services; and promoting initiatives toward improving the health care of mothers and infants

He's Back!!!

Dr. Thomas W. Hale is back in Odessa/Midland to celebrate the designation of his Infant Risk Center as a Center of Excellence within TTUHSC! Come hear him speak about Cannabis in the Breastfeeding Mother. Courtesy of the Laura W Bush Institute
